REDUCE REUSE RECYCLE

RECYCLING GUIDE

YOU HOLD THE KEY TO SUCCESS!

MOVING GUIDE

Welcome to the neighborhood!

The Recycling Expert at your property is:

Their phone number is:

REDUCE REUSE RECYCLE

 The best way to **reduce** your waste is to not produce it. Buying products with less or no packaging will make the biggest impact on the amount of waste you make. Less waste means less garbage sent to the landfill!

 The second best way to reduce your waste is to **reuse** items instead of disposing of them and buying more. You can either donate items so they can be reused or find other uses for these items at home.

 **Recycling** is the last thing you can do to make less waste. Recycling keeps natural resources from being used and allows items to be remade into new products. Buy items that are made with recycled content!

Moving Supplies Reuse and Recycling

Moving can generate a lot of waste from boxes and packaging materials. Also, we may discover items that we just don't use or need anymore. Below are some suggestions on properly disposing of these items to keep them out of the landfills.

Reuse or Landfill

Bubblewrap:

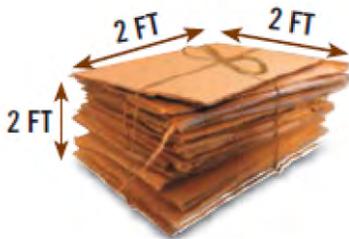

Reuse: If it is in good condition, the stores listed below will reuse it! Otherwise it is not recyclable and must be go in the black cart.

STYROFOAM® peanuts:

Reuse: Remove any other styrofoam or paper from the foam peanuts. Place clean peanuts in plastic bag and deliver to a store listed below.

Reuse or Recycle

Cardboard:

Reuse: Post on craigslist.org or Freecycle.org.

Recycle: Flatten and place boxes with paper recyclables in the blue cart or cardboard bin, if available. If the blue cart is full then package the cardboard in 2 x 2 x 2 bundles and place next to the blue cart.

Newspaper and packing paper:

Recycle: Remove any excess plastic or tape on the paper and place these items in the blue cart.

Local stores than can reuse your moving supplies (please call ahead)

Pak Mail: 454 Gallinas, Ave, San Rafael
Phone: (415) 472-2533

Postal Service Plus: 523 San Anselmo Ave, San Anselmo
Phone: (415) 459-2567

Safely Dispose of Hazardous Waste

Before You Break the Law

Throwing hazardous waste in the garbage is **ILLEGAL**.

California has regulations that help protect its citizens and the environment from substances and chemicals that are dangerous to human health and the environment. Help us by keeping hazardous waste out of the landfill. You can properly dispose of your hazardous waste by bringing it to the Marin Household Hazardous Waste Facility (MHHW). Please see the list below for items that are considered hazardous. For a complete list, please visit www.marinhhw.com/waste-accepted.

Laptops
Stereos
Tablets
TVs

Other

Adhesives
*Asbestos
Cooking Oil
Propane Tanks
Sharps
Please call for special instructions

Tips for Safely Disposing Hazardous Waste

1. Bring proof that you are a Marin County resident, such as a drivers license, tax document or utility bill.
2. **Do Not Mix Chemicals**, and make sure materials are packed in a sturdy, sealed container.
3. Each container must be labeled with their contents, and each container must not be smaller than 5 gallons or weigh less than 50 pounds.
4. State Law prohibits more than 15 gallons or 125 pounds to be transported at one time. Two exceptions are 1) latex paint, and 2) motor oil, where a maximum of 20 gallons total can be transported at one time.

Household Hazardous & Electronic Waste Drop off

Marin Household Hazardous Waste Facility

565 Jacoby St. San Rafael, CA 94901

Phone: (415) 485-6806

RECYCLING

Did you know, most bottles, cans, paper and cardboard are accepted in our curbside recycling program? For a complete list of items we accept, please visit marinsanitary.com.

Start Recycling Today!

Take a moment to designate a convenient space inside your apartment for both your recycling and your garbage. There are many decorative and convenient recycling containers in stores today that you can use to collect your recyclables.

You can even use a reusable shopping bag to hold your recyclables! They are easy to clean, easy to carry, and can fold up when not in use.

To help you recycle correctly, print a sign from marinsanitary.com, and post it above your recycling container.

Still Have Questions?

- For basic recycling questions, you can call our customer service representatives at 415-456-2601, between the hours of 8am and 5pm Monday through Friday. We look forward to your call!
- If you have in-depth questions about recycling, please call 415-456-2601 and ask to speak with a Recycling Coordinator.

Bottle & Can Recycling Only

Plastic bottles & containers #1-7, glass bottles & jars, and metal cans & foil.

Please no compostable plastic or styrofoam!

Paper Recyclables Only

Paper, cardboard, paperboard, newspaper, egg cartons, magazines, and scrap paper.

Please no paper or cardboard coated with plastic, wax, or foil!
