

## Recycling Containers

The purpose of this guide is to give businesses and schools ideas for containers that can be used indoors and outdoors to collect recycling. Marin Sanitary does not provide containers for the internal collection and storage of materials. Our carts are intended for curbside pick-up of materials only. You may also want to check your local businesses for recycling bins (such as office supply and discount stores).

1. **Bagit© System**

The Bag Connection, Inc.  
459 SW 9th Street  
Dundee, OR 97115
