

DON'T Waste A CHANCE TO EDUCATE

The **4R Planet** program at *Marin Sanitary Service* can equip and empower districts, schools and classrooms to develop comprehensive waste reduction and recycling programs.

Educate Students • **Help the School** • **Save the Planet**

We can provide you with the tools needed to implement successful school recycling programs — all **FREE OF CHARGE**

- Green team training
- Signage, stickers, and curbside containers
- Educational tours of our state-of-the-art facilities
- Waste audits to show what you're still throwing away
- Onsite assessment and evaluation of recycling needs
- Classroom lessons and assemblies on waste and recycling
- Guides, instructions and worksheets to help you recycle more
